Medication Authorization Form

Parent/Guardian Authorization

I authorize August Home Daycare to administer the medication described above to my child according to the instructions provided. I understand that:

- Medication must be provided in its original, clearly labelled container.
- Prescription medication must display the child's name, medication name, dosage, and prescribing pharmacy.
- I am responsible for providing accurate instructions and informing the provider of any changes.
- I authorize the provider to seek emergency medical assistance if an adverse reaction or medical emergency occurs.
